Allinial Global Member Firms Recognized in 2022 Vault Accounting 50

ATLANTA, GEORGIA May 28, 2021— Allinial Global is pleased to announce that three of its member firms have been recognized in the 2022 Vault Accounting 50. Compiled by Vault.com, a provider of rankings, ratings, and reviews on thousands of employers and internship programs, the Vault Accounting 50 is an annual ranking of the top 50 best accounting firms to work for in North America.

To identify top employers, Vault asks accounting professionals to rate their own firms in various workplace categories. Firms are then ranked according to a weighted formula that combines quality of life rankings (such as culture, satisfaction, work/life balance, compensation, etc.) with overall prestige.

Congratulations to the Allinial Global firms being honored this year!

- ▶ BPM LLP (San Francisco, CA)
- ▶ EisnerAmper LLP (New York, NY)
- ▶ Wipfli LLP (Milwaukee, WI)

“Our members’ commitment to exemplary workplace cultures is no secret, but we are especially pleased to see Allinial Global firms recognized during a time of such significant change in workplace practices. The past year has challenged us to rethink many basic assumptions about what work looks like and how we work together, and Allinial Global is proud to be the association of choice for top employers who are leading the way with innovative practices and policies.”
